EDIBLE CRAFT

Gingerbread House

HOW TO ASSEMBLE

Gather all your baked
Gingerbread house pieces.

Use a grater/zester to smooth
any edges

Plan where to put your windows
and doors.

Make the royal icing by
following the instructions.

Prepare your piping bags by
cutting off the tips.

Place the nozzle into the end of the
piping bag and fold the top down.

Place into a tall cup or mug.

Use a spoon to transfer the icing
into the piping bags.

Large - for snow and walls.
Small - smaller decorations.

Gingerbread House

ASSEMBLY PAGE 2.

Gather your roof pieces, windows, doors and sprinkles.

Pipe decorative lines on R1 + R2. Be sure to add your sprinkles and pearls quickly.

Allow to completely harden for 1- 2 hrs.

Next outline your windows.

Add some sprinkles.

Also do the doors and allow to harden 1- 2 hours before next step.

Attach your doors and windows to F, B, S1 and S2 with royal icing on the back.

Gather your cake board or plate.

Find 2-3 heavy objects (cans, jars, cups etc.) to hold your walls up.

Pipe along the front edge of S1, attach to the back left hand side of F.

Repeat for S2 on the right hand side.

Pipe along the back edge of S1 and S2, attach to B.

ASSEMBLY PAGE 3.

Gather two more smaller heavy objects to hold your roof in place.

Pipe along all exposed edges on the left of F, B and S1.

Attach R1 and hold in place. Pipe icing on the remaining edges on the right.

Attach R2 and hold in place.

Pipe the snow by using an up and down motion along the roof edges
