Jumbo Letters fit perfectly
in a Roberts Confectionery
Size 3 Cello Bag!

OPTIONAL

- Roberts Confectionery Size 3 Cello Bags
- Colourful Ribbon

Step 1

Cover the base of chocolate mould with red & blue non pareils sprinkles.
Melt buttons using the directions on the back of the packet.

Step 2

An easy way to fill your piping bag is to use a tall glass as a stand.
Insert the piping bag into the glass, pointy end down. Open the bag over the glass.

Step 3

Pour melted buttons into the bag.

Step 4

Cut a small hole in the end of the piping bag.

Step 5

Carefully pipe melted buttons into the mould. Be careful not to overfill.

Step 6

Gently wobble the mould to settle the chocolate.
Place into the fridge for 20 - 30 min to set.

Step 7

The jumbo letters should easily release from the mould.

Step 8

Place into a size 3 Cello Bag and tie with a colourful ribbon.
These jumbo letters make great gifts for friends or family.

TIP: Each letter will require approximately 150g melted buttons.

MIX IT UP!

We've used blue
& red sprinkles,
however you can
choose your own
combination!

Get creative! Jumbo Letter moulds
also look great with fruit & nut mix,
mini marshmallows or chopped candy!
